

Adult Take and Make Instructions

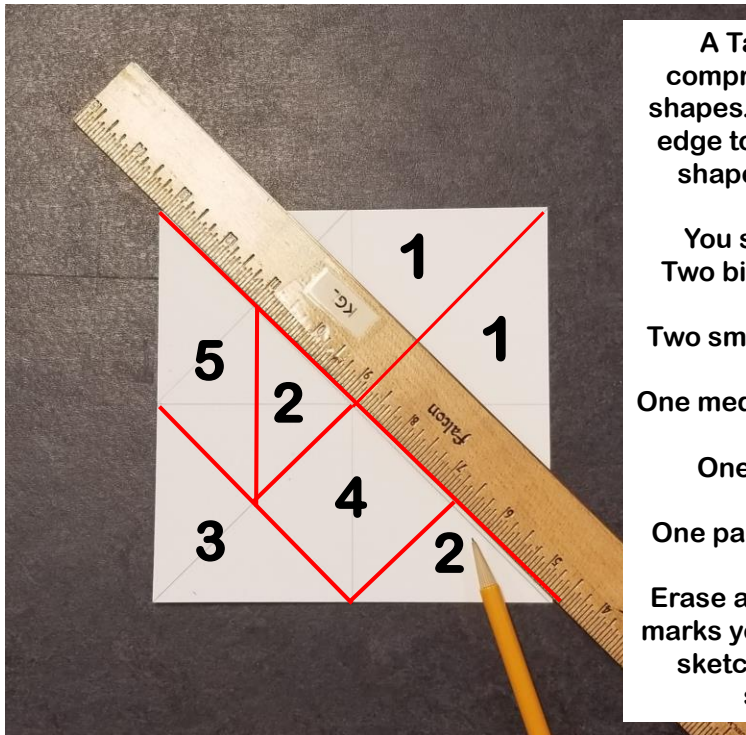

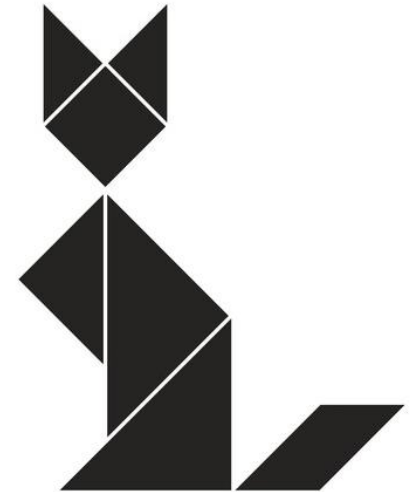

Tangrams are a set of shapes used to create patterns. There are an unlimited number of people, places, animals, trees..... you can create. Use patterns available in books and on-line to see what you can create!

Each kit contains a 6x6 white card stock and a box of crayons.

You will need a pencil, straight edge and a pair of scissors.

A Tangram set comprises of seven shapes. Use a straight edge to prepare your shapes as shown.

You should have:
Two big triangles (1)

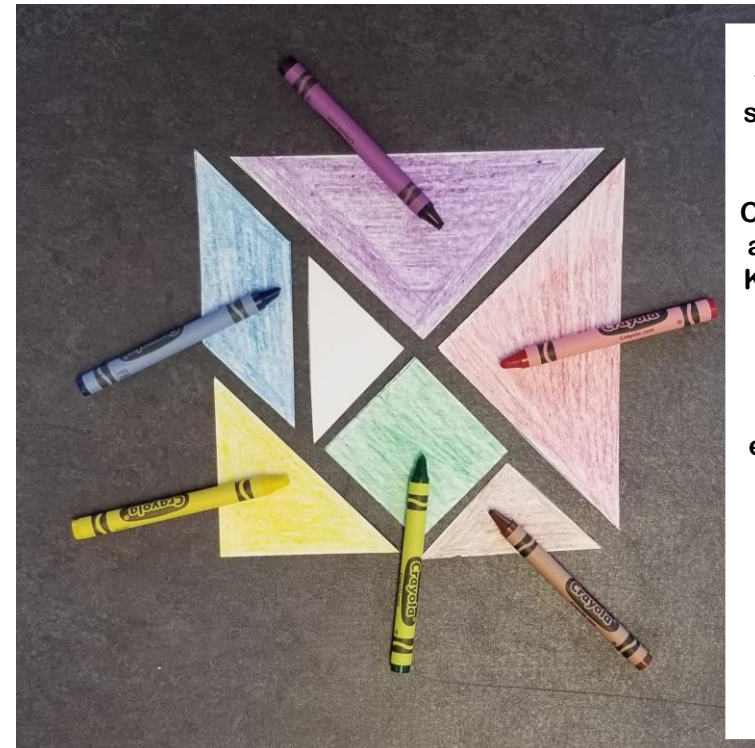

Two small triangles (2)

One medium triangle (3)

One square (4)

One parallelogram (5)

Erase any other guide marks you made as you sketched out your shapes.

Once you have traced out your shapes, carefully cut them out.

Color each shape a different color. Keep the reverse blank.

You are now ready to make endless shapes!

Use all the shapes in your design and no overlapping!

Have fun, be creative!
